Breedingfee	€950,- (€850,- if payed before January 1, 2025)
Early booking fee	€700,-
Multiple mare fee	€800,- (€700,- if payed before January 1, 2025)

1. Fees and expenses

- a. Charges: A booking fee of €500 is due with a signed contract. Balance of the stud fee €950 is due before shipment of the frozen semen. Upon payment in full,

2 doses of frozen semen will be provided. Additional frozen semen may be purchased for €250,- for two doses if mare does not settle in foal.

- b. Frozen semen shall only be used for the mare that is listed on this contract. Any unused semen is property of Mag's Showhorses. The amount and location of unused semen must be reported to Mag's Showhorses or Anick Worp. No breeding shall take place with frozen semen without signed contracts and payment in full for a breeding fee to Investment In Art. Unused semen can stay in stock with the mare owner, but it stays in property of Mag's Showhorses, Anick Worp. The unused semen can be used for a second breeding. A returning breeder gets €150 discount on the original breeding fee.
- c. Breeding fee can be fulfilled in the following bankaccount:
NL79INGB0007383402 on the name of Mag's Showhorses
BIC code: INGBNL2A
Bank: ING Bank
- d. Frozen semen is in storage on breedingstation Holstud, The Netherlands.
- e. Investment In Art has a multiple mare discount. On a second breeding the mare owner gets a discount of €150 on the original breeding fee of €950.
- f. Investment In Art has an early booking discount of €150 on the original breeding fee of €850 when this contract is signed before December 31, 2024 and a bookingfee of €500 is payed as well. Balance of the stud fee is due before shipping of frozen semen.

2. Mare registration

- a. A copy of the mare registration papers, with current owner listed or lease agreement must accompany this contract. The owner recorded on the registration certificate will be recorded on the stallion breeding rapport.
- b. The mare owner gives notice to stallion owner when the mare is in foal and how many straws of frozen semen are used for the pregnancy.

3. Live foal guarantee

The mare owner is guaranteed one 'live foal'. The term 'live foal' means that the foal resulting from the breeding shall stand and nurse within twenty-four (24) hours. If a live foal does not result from the breeding, the mare owner will be entitled to rebreed the mare the following season only, to the stallion for no additional stud fee. Proper notification shall be defined as written certification by a licensed veterinarian that the mare has slipped or produces a non-viable foal. When the mare comes to die, no stud fee will be refunded. However, an other mare may be used for the breeding of this contact, only in consultation with the stallion owner.

4. Shipping terms and conditions for frozen semen

The mare owner is responsible for all the costs of the shipment of the frozen semen. For questions or to order frozen semen, the mare owner must contact Jorgen van der Holst by email or telephone.
